Administrative Guidelines for Early Kindergarten Entrance

Children, who will turn five years old between September 2nd and October 15th, are eligible for consideration for the early entrance to kindergarten process. To be recommended for early Entrance to kindergarten, children will need to demonstrate above average performance and development in academic skills as well as social/emotional and physical development. The standards for early entrance are very high to ensure that students are not frustrated by their advanced placement. There will be no consideration, including an appeals process, for children with birthdates beyond October 15th.
