Classroom Updates

By: Koko

Hi F.A.A scholars,

We have updates for every classroom. Starting with Ms. Both class, they are working on silent E , bar graphs , Analyzing data , reviewing number bonds and growing their own plants! Now Ms. Brown's Class is learning about space , different ways to track data , how to type with NitroType and reading *Junie B. Jones and a Little Monkey Business*.

Mrs. Schoons class is learning about essential meaning and main ideas, in social studies they are learning about the book Sweet Clara and the freedom quilt . Ms.Baskett class in ELA is learning about Space, the first people who went to the moon , in Math their learning about Area , in Science their learning about fossils, SEL their learning about how we feel and what we do when we are angry.

Fourth grade Class in Math been learning about Angles . In ELA they been learning about the American Revolution. Social Studies they have been learning about what happened in the 1700 and 1800.

The 5th grade classroom is learning in math is, multiplication decimals, turning them into fractions and multiplication fractions, in ELA they have been reading articles about athletes and using context

Bullying

By: Aubree Wright & Leah Gray

Bullying can happen online or in real life, there are different types of bullying. There is name calling, being racist even cyber bullying trolling.

clues to answer questions about what they read . social studies they have been learning about events leading up to the American revolution. In science they have been learning about gravity and the atmosphere and the planet .

Mr. Tyler's Social class are learning about the women's suffrage movement and how women got the right to vote in the U.S . Students are discussing which voices and group of people were left out of this movement and the importance of allyship in any activist movement
Ms.Gaffney class

Ms.Gaffney class starting with 7th grade class is learning about Ecosystem, 6th grade class is learning about weather and last be not least 8th grade learning about gravity .

That's all from koko for the Classroom update.

Freedom school

This week in freedom school level two are reading the book julians Dream doctor.we are on chapter Four of this book.we also have Went on the website storynory That has audio stories and read Alouds.the first week of february We watched a black history proud Family video and we learned about Doctors and respect.and we also watched A video about the dentist it was a Good book out of the first two weeks i like The books we have watched and listened to were really good books the next two Weeks we will focus on level three freedom school.

FOOD REVIEW

By Romel and Lakira

The friendship food is not the best but it is not the worst. The breakfast pancake is actually good but It would be better if the pancake was actually warmed . This week we had Macaroni and cheese, meatball hoagie with marinara, Roast turkey with gravy, and teriyaki chicken. The snack is actually pretty good , good snack choices. We love it . We would also like larger sized portions of lunch and better choices of lunches (does not fill older kids sometimes.) Other than that it's kinda leaning to the better side.
